

ST. PETER'S SCHOOL

Sector - 16A, Faridabad, Phone: 0129-4273333

Principal's Message
Sr. Nirmal Mary CMC

BRIEF HISTORY OF THE SCHOOL

St. Peter's School was established in 1993. It is an unaided Christian Minority School administered by the Sisters of Congregation of the Mother of Carmel. The school is affiliated to the Central Board of Secondary Education, New Delhi. The medium of instruction is English. Hindi is taught as second language in all classes. The school takes utmost care in developing the personality of each and every student. We take special interest in the development of the human resources-traits, values, skills, cognition, feelings, experience, imagination, body system etc. We have designed suitable curriculum with emphasis on developing skills in physical activities, cognitive development, personal hygiene, social habits, spoken English etc.

Greetings

Education opens new vistas of life. It is not mere dissemination of information but involves shaping the hour to impart quality education to the students so as to deal with the challenging tasks of socio-economic development of the country. St. Peter's School aspires to map academic excellence with good human value system which in myriad ways is ingrained in the tradition and culture of the school. The school not only imparts education but also equips the leaders with skills important to face the world and to expand the horizon of their knowledge and skills by dreaming big and working hard. Our school had undertaken its mission 'Let your light shine' since its inception and has ever since tread the path of glory...

OUR CAMPUS FACILITIES

School library

The library is the most important resource centre for students. Our students have access to a vast collection of around 8675 fiction and non fiction books, 18 academic journals, magazines and 500 reference books. The school subscribes to two English national dailies.

Counselling facility

The school has a Counseling clinic and a full time counselor for students. This facility has established a secure and safe communication channel for students wherein they can discuss their problems with utmost confidentiality. The whole point is about 'positive dialogue' to let out anxieties and inhibitions. Peterians are immensely benefitted with the counseling sessions.

Digital enabled classrooms

Teaching learning methods have been facilitated with 'Interactive Boards' in every classroom. These boards make the classes visually stimulating and collaborative. They integrate the media content seamlessly into the lecture.

Maths Laboratory

Students have the opportunity to see theories come alive and have fun with numbers in the Maths lab. The lab creates a challenging atmosphere for students to put their mathematical abilities to test.

Sports and bus facility

St Peter's School believes in providing good infrastructure to facilitate the development of the students. Sports facilities include Basket Ball, Badminton, Archery, Table Tennis, Football and Athletics. The school owns a fleet of buses. Each bus has GPS and other facilities like cameras, bus attendants, duty teacher and fully monitored system in place, thus making travel for students safe and secure.

Performing arts

Music and dance enhance the aesthetic abilities of students. Keeping this in mind, our school provides a beautiful ambience for students to develop their musical talents under the professional guidance of teachers. Western and Indian music, Classical dance, folk dance and free style are some of the areas in which students are trained. The School Choir and Orchestral group get ample opportunities to showcase their musical bent of mind.

Computer wizard

In an endeavour to achieve excellence and to keep pace with today's advanced information technology driven age, students are exposed not only to rigorous academics, but also to technological advancement by way of fully equipped computer labs. Well-furnished air-conditioned computer labs with high-tech computers, supporting multi-media have been installed for students and here they work under the able guidance of professionally trained staff.

Science Laboratory

The science laboratory provides a space for experiential learning and hands on learning for students. Under the professional guidance and assistance given by the science teachers students are encouraged to perform experiments and study various principles and laws.

- In Pursuit of Preparing Future Leaders...

Hall Marks

Vision & Mission

A centre of excellence exploring new frontiers in the realm of education for nation building.

To inculcate values in the students so that we have socially, intellectually, emotionally, spiritually and morally upright citizens.

To provide them with a conducive environment to infuse a sense of responsibility, self discipline and integrity.

To promote creative thinking of the students so that they may excel in society and become capable to face challenges in life.

To love mother earth and to have an awakening of a new conscience for sustaining the integrity of humanity and creation.

LET YOUR LIGHT SHINE

30
YEARS
OF EXCELLENCE
